Indech Technologies, Virtual

May 2021 - Present

PROJECTS

Ambiseek.com

Apr 2021 - Apr 2021

<https://www.ambiseek.com>

Ambiseek.com is an internship programme based company who provide interships and trainings in europe for the students in india.

Personal Portfolio

Jun 2020 - Jun 2020

<https://www.zahidshaikh.site>

After learning the basics of web development, I made my personal portfolio through which I got my first Project Ambiseek.com, I've added the website link in the project section.

Lyfezy Website (Desktop)

Jun 2020 - Jun 2020

<https://bit.ly/3nINQMz>

Designed and prototyped using figma. This project is made for Desktop view.

Lyfezy Website (Mobile)

Jun 2020 - Jun 2020

<https://bit.ly/3vEtRRN>

This is responsive version or mobile version for Lyfezy Website.

Glixcel

May 2021 - Present

<https://www.glixcel.com>

Glixcel was my first internship project in which my task was to convert prototypes and templates into an HTML document.
